Subject: Pro lead vox for DZ

Hi Danger Zone,

I am pro lead vox available for hired gun or possibly full time if we click.

I have performed over 500 live paid shows over the past 10 years performing with pro tribute and pro cover 80s 90s 00s 10s 20s rock.

I am a young 50 live in Yorba Linda

Available for local so cal shows and small national tours.

You can google or youtube "USAU2" for me performing as Bono in U2 tribute show or "The PhillyDogs Band" note:

PhillyDogs is 1 word. For tons of media clips & shows.

Send me your master song list for review and call me for audition if you want a seasoned pro with no bullshit.

I am live performance ready tonight. Meaning very little rehearsal is required for me - for you to be back in the saddle & performing & booking shows ASAP. In 2019/early 2020 I performed over 30 shows at Hennesseys/Bluebeat/Canyon Inn/Harp/etc. 4 or 5 45 minute sets per night with bands that I never met before & never had 1 rehearsal with.

Call me to discuss.

Rock on.
